Clara Nguyen
Eli Zupke

Previous Goal: Finish the functionality section

What was accomplished:

Group met in person to discuss functionality.
Section was not completed, but we wrote down basic topics we wish to discuss and will later refine.

Group then discussed what to do by next meeting, which will resume normal schedule
Also discussed changing meeting times to 9:30

Goals for next meeting:

Functionality section will be refined/completed.
Gavin will work on user interface
Entire group will research what technologies we will use and discuss in other sections
