

AMELA Board Meeting
2/28/19

Meeting Time: 9:42pm – 10:12pm

Members Present:

Gavin Kremer
Clara Nguyen
Zach Kaufman
Kendall Haworth

Eli was unable to voice chat.

Previous Goal: Complete relational model, research technology for converting table to SQL, and set up Django project

What was accomplished:

Kendall and Clara made the relational model.
Gavin and Zach made initial Django project

Group discussed Kendall and Clara's results, several amendments and propositions were made.
Group looked over the base model Gavin and Zach worked on

Goals for next meeting:

Finalize relational model
Make models for our entities in Django
Get database online
