

AMELA Board Meeting  
3/5/19

Meeting Time: 9:44pm – 10:20pm

Members Present:

Gavin Kremer  
Clara Nguyen  
Zach Kaufman  
Kendall Haworth

Eli Zupke joined the meeting at 10:05pm due to traffic

Previous Goal: Get middleware online, finalize models and populate database.

What was accomplished:

Gavin got the middleware online.  
Clara heavily revised ER diagram and relational diagram to reflect model changes  
Gavin, Zach, Eli, and Kenny worked on populating database and revising models

Group edited the main view and discussed if project was ready to submit, which was determined as yes.

Goals for next meeting:

Sprint completed  
Eli will organize our collaborative files.  
Group will meet at some point to all get on the same page regarding the AWS setup and Django project.
