AMELA Board Meeting
2/23/19

Meeting Time: 3:01pm – 5:29pm

Members Present:
    Gavin Kremer
    Clara Nguyen
    Zach Kaufman
    Eli Zupke
    Kendall Haworth

Previous Goal: Create lists of possible entities and attributes

What was Accomplished:
    All members thought of possible entities, attributes, and relations between them.

Group looked for a data modeling tool, ended up choosing visual paradigm.

Kendall had to leave meeting early at 3:50pm.

Spent a lot of time drafting our ER model.
Completed draft.

Goals for next meeting:
    Draft will be finalized.
    Zach will add relationships outlined in draft.
    Gavin will change colors and orientation.
    All other members will review the results.
